

Thank you for purchasing an Outdoor Revolution product, this product will give years of satisfactory service if basic instructions are followed; our products are designed for durability and for ease of erection.

Spare poles can be purchased to replace broken poles
**** Awnings will not be swapped because of broken poles****

Please read the following instructions carefully

TIP: Refer to the photograph to help when pitching your Tech Canopy.

- Please do not leave for your vacation without fully erecting and checking the contents of your awning.
- Ideally erect your awning for some period allowing it to weather.
- Please make sure that before erecting, that you site the awning on clear Level ground with no sharp objects underneath, and that all the zips are fully closed. (We recommend laying a groundsheet down to keep the awning Dry and clean)
- If you have any issues relating to pitching your awning please contact your dealer for instructions before going on holiday.

IMPORTANT PLEASE CHECK YOUR EQUIPMENT

(Make yourself familiar with the awning and its parts before attempting to erect)

Contents

Canopi (or outer)

Steel poles (in a separate bag)

Pegs (in a separate bag)

Outer carrying bag (with dimension details)

ERECTION INSTRUCTIONS.

Slide the canopy into the awning channel using the correct sized beading at the rear and position where you would like it to go. If fixing to guttering, extra attachments may be required. Ask your dealer for details.

Slide the steel pole through the front sleeve and use the steel poles to tension the canopy and guy out at angles away from the uprights

Please note these few points for trouble free camping.

- After use please you always dry and air the tent before packing away.
- Any dirt or stains can be removed by brushing or gently washing with warm water. **DO NOT** use detergents as this will destroy the waterproofing on the fabrics.
- We advise that you **DO NOT** cook or smoke in this tent; although the outer fabric is fire retardant treated it will still melt.
- Please make sure that you have a good time.

****We highly recommend that you insure your awning against storm damage or accidental damage, as the warranty does not cover such eventualities. The manufacturer is not liable for any damage caused to the motorhome or caravan because of misuse, incorrect pitching or extreme weather****
